

Hotel Schwarzer Adler

The Boutique Hotel with 500 years of Tyrolean hotel history

Our Hotel with 500 years of tradition is run by the Family Ultsch in the 5th generation. Family Ultsch picked up the history of the house, in which once King Maximilian used to live and adapted it to our today's standard. The house developed to a beautiful combination of charming tradition, history and the current spirit of the time.

The Hotel is situated in the middle of Innsbruck, about 200 meters away from the old town, the centre of the city and a perfect starting point for your excursions. None of our 40 rooms and suites are similar to each other – all of them have their own background: romantic – playful – historical!
