

MEETING POSSIBILITIES HOTEL SCHWARZER ADLER

THE BOUTIQUE HOTEL WITH 500 YEARS OF INNSBRUCK HOTEL HISTORY

As contemporary witness for the last 500 eventful years of Innsbruck, the Schwarzer Adler hotel is standing at the spot, where Emperor Maximilian had his stables in 1500.

The Ultsch family – which now leads the Schwarzer Adler hotel in 5th generation – has carefully built all the modern conveniences into the historic walls with the aim to preserve the character of the historic house.

No room looks like the other: you can choose between smaller Classic rooms, Superior and Deluxe rooms and luxury suites. Each of the numerous function rooms tells its own story and is equipped as needed with mobile, modern conference technology.
